Hi Susan!

Greetings from Rome! I am here with my parents. We have been here since Friday and have already seen and done so much. On Sunday, we went to visit the Colosseum. I was so excited. It's very huge. I have never seen anything like it! It is one of the most interesting constructions of the Roman Empire! This is where the ancient Romans gathered to watch combat between gladiators, and battles between men and wild animals such as lions. If you ever get the chance to visit, you should go – it is an unforgettable experience.

Hope you are having a fun time too. See you soon!

Love,

Natalie
